PROFESSIONAL SUMMARY

Motivated and detail-oriented Junior Web Developer with a strong foundation in HTML, CSS, JavaScript and libraries frameworks hands-on experience building responsive web applications and personal projects. Backed by professional experience in IT support and network troubleshooting, with a passion for learning modern frontend frameworks such as React. Seeking an entry-level role where I can contribute to real-world web development projects and grow as a developer.

WORK EXPERIENCE

Broadband Associate / Technical Support IT | Kalibo Cable Television Inc.

Kalibo, Aklan | *Jan 2020 - Apr 2023*

- Installed, repaired, and maintained fiber optic (FOC) and copper cable networks to ensure stable connectivity.
- Performed cable pulling, new cable laying, relocation, and restoration of affected lines during road and infrastructure projects.
- Conducted corrective and preventive maintenance for network cable systems and telecom equipment.
- Operated specialized tools such as OTDR, fusion splicer, boom trucks, aerial lifts, and OSP power tools.
- Assisted network engineers in network isolation, troubleshooting, and restoration procedures.
- Supported IT operations by configuring IP addresses, Static IP settings, DHCP servers, and OLT systems.
- Monitored network performance including noise signals, traffic flow, and connectivity issues.
- Provided technical support for hardware and peripherals such as PCs, printers, scanners, and routers.

Collection Specialist | McGrath & Arthur Philippines

Ortigas, Pasig City | *June 2023 - January 2024*

- Calling and reminding due payments to the clients.
- Negotiating or encouraging clients to pay on time.
- Resolve customer issues and complaints concerning billing.

Corporate Sales Staff | Rustan Commercial Corporation

Ayala Avenue, Makati City | *Present 2024– 2026*

- Collect return products from corporate clients.
- Deliver purchased items to corporate account.
- Prepare monthly report on return, collection of products and payments to corporate sales manager.
- Create billing invoices, Delivery Receipts (DR), and Collection Receipts (CR) for corporate clients.
- Assist in monitoring outstanding balances and ensuring timely collection of payments.
